

The New “Windsor” 16-inch Viola

This is our new 16-inch viola. It has a very warm, deep and mature sound. Very responsive instrument with beautiful sound. The top is carved from carefully selected Englemann Spruce from Colorado. The back, sides, and neck are of highly flamed European Maple. Carefully graduated top and back give this viola a very deep and bold sound with plenty of resonance. Ebony fittings and golden amber oil varnish. Set up with Corelli Crystal strings. Comes with a plush hard-shell case.
